WASTE TO ART
Community Art Competition
 Celebrating the re-use and recycling of waste across the NetWaste region through arts.
 An initiative of NetWaste

The poster is a vertical collage of images. At the top left is the logo for 'THE SIMS METAL MANAGEMENT' with a stylized 'S' icon. Below it is a photograph of a person standing next to a large, intricate sculpture made from various pieces of waste, including what looks like a car wheel and other mechanical parts. To the right of this is a close-up of a blue and white geometric sculpture. Below these is a large, bold title 'WASTE 2 ART' in blue and white letters. Underneath the title is another photograph of a colorful, circular artwork made from many small pieces of waste, possibly plastic or paper. To the right of this is a close-up of a white and yellow circular object, possibly a lid or a piece of a container. At the bottom of the poster, the text reads 'YEAR OF BALING TWINE & STRAPPING' and 'WASTE TO ART COMMUNITY ART COMPETITION'. Below that, it says 'CELEBRATING THE RE-USE AND RECYCLING OF WASTE ACROSS THE NETWASTE REGION THROUGH ARTS' and 'An initiative of NetWaste'. The NetWaste logo is in the bottom right corner.
